

SUNCOAST HIGH SCHOOL FOUNDATION

Engraved Tile Program

When Suncoast Community High School's new campus opens in August 2010 it will include personalized laser blasted 4" x 8" tiles. The Foundation's tile program allows students, families and faculty to show their support for the school. Honor an entering freshman, graduate, teacher, family member or a special event by purchasing a tile.

\$100.00 for a 4" x 8" tile laser blasted with your personal message.

Your 4" x 8" tile will be permanently installed in the school. Mini replica laser blasted 2" x 4" tiles are yours to keep as a gift or souvenir for an additional \$25 each. The mini tiles can also be mailed to separate addresses.

To order complete this form and mail with your payment to Suncoast High School Foundation, 600 W. 28th Street, Riviera Beach, FL 33404. *(Please use a separate order form for each 4" x 8" tile ordered and we strongly suggest keeping a copy of the completed form for your records.)*
