

SUNCOAST
HIGH SCHOOL
FOUNDATION
growing together...

February 5, 2018

Dear Sir or Madam,

To support its mission to sustain and enhance the school's academic programs, the Suncoast High School Foundation seeks sponsors for its fabulous evening-time annual gala, "**The Suncoast Showcase**," taking place on Saturday, April 28th at PGA National Resort & Spa in Palm Beach Gardens, Florida. The purpose of this event is to showcase to current and prospective parents of Suncoast High School students why Suncoast is constantly ranked one of the best public schools in the Country. Suncoast's diverse students execute rigorous academic magnet programs and excel in theater, music, athletics, and community service. Graduates thrive in dynamic careers focused on engineering, business, medicine, law, science and the arts.

Sponsorship is available at 3 levels:

- **Presenting Sponsor:** \$10,000. Designated as event's "Presenting Sponsor" including logo/insignia on all advertising and printed materials. Dedicated table with sponsorship displayed. 8 tickets.
- **VIP Sponsor:** \$5,000. Designated sponsor for 6PM Pre-Event VIP Champagne Faculty Lecture "An Insider's Guide to Suncoast". Listed on all advertised and printed materials. 6 tickets.
- **Charger Sponsor:** \$1,500. Listed on all advertised and printed materials. 4 tickets.

With your support, the Showcase will be an incredible evening featuring dinner with open bar, a silent auction, presentations from Suncoast Alumni and current students and the opportunity to interact with key teachers and administrators from Suncoast.

Through your sponsorship, you will be supporting one of the best public schools in the state as measured by US News and World Report, the Washington Post, and Niche. Since its inception, the Foundation has provided over \$1M of equipment, experiences, and services for Suncoast's incredible students.

Thank you for considering becoming a sponsor for this year's Suncoast Showcase through the Suncoast High School Foundation, a 501(c)(3) organization. All donations are tax deductible, and funds can be restricted to particular needs at Suncoast. If you have any questions, please do not hesitate to reach out to me. You can also learn more at www.suncoastfoundation.org. Go Chargers!

Sincerely,

President, Suncoast High School Foundation
